## Detailed information about FRONT 3:

Gliding door robes with full glass fronts comprising either mirrors or matt or high polish colour glass. The gliding door robes feature 3 horizontal grooves on the front.

- There are 7 carcass and 9 front colours available; the 2 interior colours are sorted to match the carcass colours.
- **"Mixed mirror" front:** On gliding door robes, the 2 middle glass sections are always crystal mirror whereas the sections top and bottom can be bronze or grey mirror, depending on your choice. On hinged door robes, either bronze or grey mirror must be selected for the 2 outer doors, while the remaining doors are always crystal mirror.
- **"Mixed colour glass" front:** On gliding door robes, the 2 middle glass sections always feature the chosen colour glass (glossy). The top and bottom glass sections are always in the same colour, but in matt finish (matt colour glass). On hinged door robes, the 2 outer doors are matt colour glass, while the remaining doors feature a glossy finish in the same chosen colour glass.
- The standard interior wardrobe fittings include 2 shelves and 1 clothes rail for each carcass unit. You will find an extensive range of additional fittings for your wardrobe in the EXTRAS section.
- You will find matching passepartout frames for all wardrobes with optional lighting in the PASSEPARTOUTS section.
- If you wish to combine hinged and gliding door robes, you will need additional spacers. These can also be found in the PASSEPARTOUTS section.
