

# PASSEPARTOUTS

Carcase/passepartout colours

## Detailed information about the PASSEPARTOUT frames:

Passepartout frames are also optionally available with lighting for gliding and hinged door robes.  
Side uprights (i.e. passepartout without the horizontal profile at the top) are also available for hinged door robes.

- Passepartouts are always ordered using the same colour code as for the wardrobe.
- All passepartout frames are finished in the available carcass colours.
- The LED lighting (optional) is integrated into the top profile of the frame.

Passepartout frame with lighting		<p>This luminaire contains built-in LED lamps of the energy classes A++ - A* The lamps cannot be replaced in the luminaire.</p> <p>*) on a scale from A++ (highest efficiency) to E (lowest efficiency)</p>

↑                      ↑ Wardrobe front ↑                      ↑

The 3 spacer profiles are used when planning adjoining hinged door robes (HDR) and gliding door robes (GDR).  
2 profiles maintain the distance between the wardrobes to prevent the doors jamming when opened. The 3rd profile closes the gap to the wall caused by the different depths of the wardrobes.

The profiles are suitable for gliding door robes with 2 or 4 doors and for installation on the left or right (see drawings).
