

SPECIAL SIZE WARDROBES

Custom made to your exact requirements

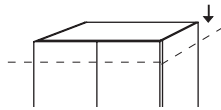

Shorten the base

of any wardrobe, carcass or shelf unit,
up to 3 cm

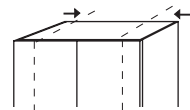

Shorten the height

of any wardrobe, carcass or shelf unit

Shorten the width

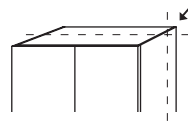

- a) of any wardrobe, glass, mirror or high polish fronts excluded
- b) carcasses
- c) shelf units

* with drawer units,
without angled units

Shorten the depth

of any wardrobe, carcass or shelf unit

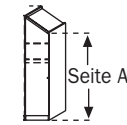

* without drawer units, 41 cm deep

Angle to the side*

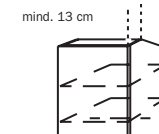

of any 1 door wardrobe, carcass or shelf unit

* without angled units

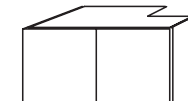

Angle to the rear

of any wardrobe, carcass or shelf unit

Angled cutout at the back

of any wardrobe, carcass or shelf unit

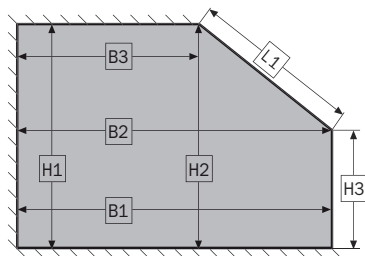

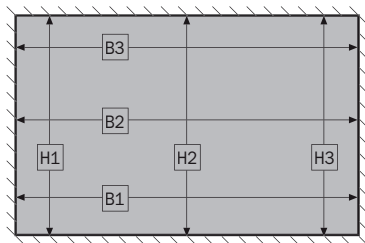

Note: Panorama robes: only the base and height can be shortened,
and the rear angled.

SPECIAL SIZE WARDROBES

Please note:

- Floor and ceiling must be horizontal. Applicable total horizontal tolerance: 10 mm for floor and ceiling. Walls must be perpendicular. If walls are not perpendicular, or the floor and ceiling not horizontal (within the tolerance limits), customers must remedy appropriately prior to measuring.
- The knee wall supporting a sloping roof (H3) must be at least 300 mm high.
